1. Introduction

Section 1.1

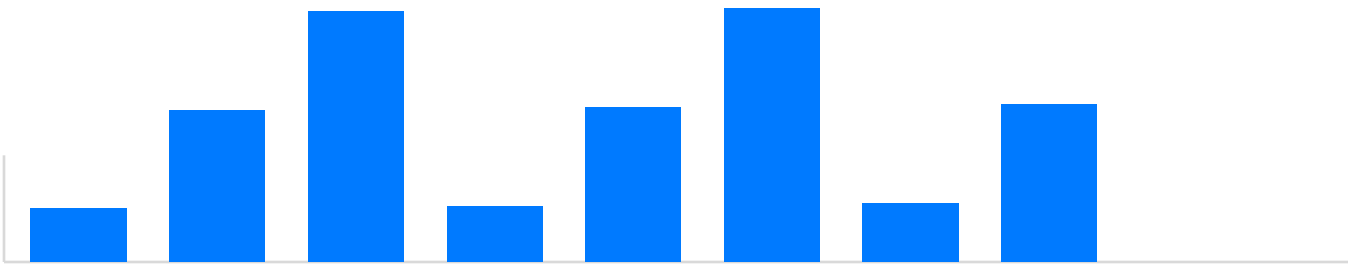
Introduction: part 1

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 1. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 1. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



1. Introduction

Section 1.2

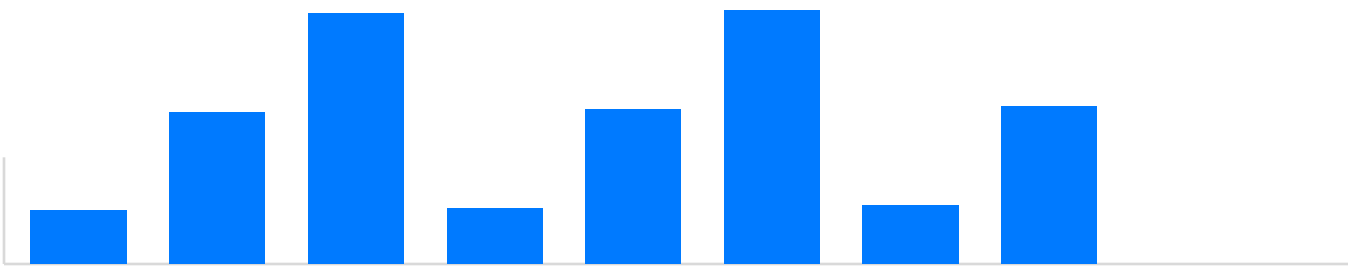
Introduction: part 2

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 2. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 2. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



2. Getting Started

Section 2.1

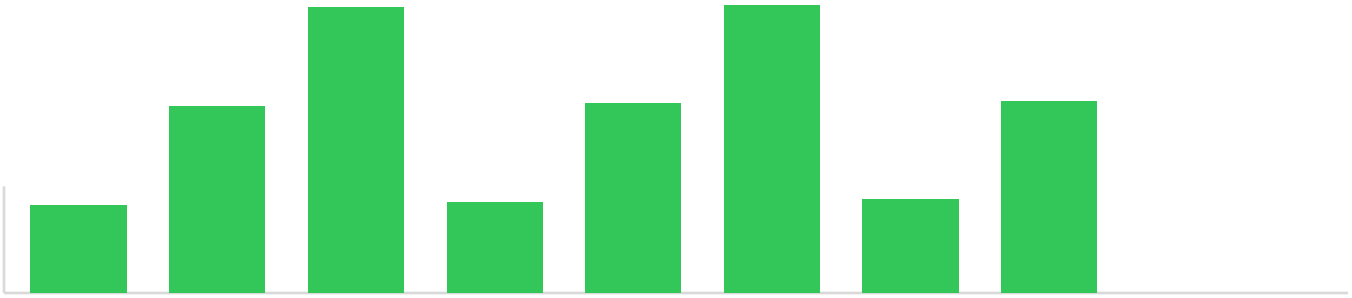
Getting Started: part 1

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 3. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 3. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



2. Getting Started

Section 2.2

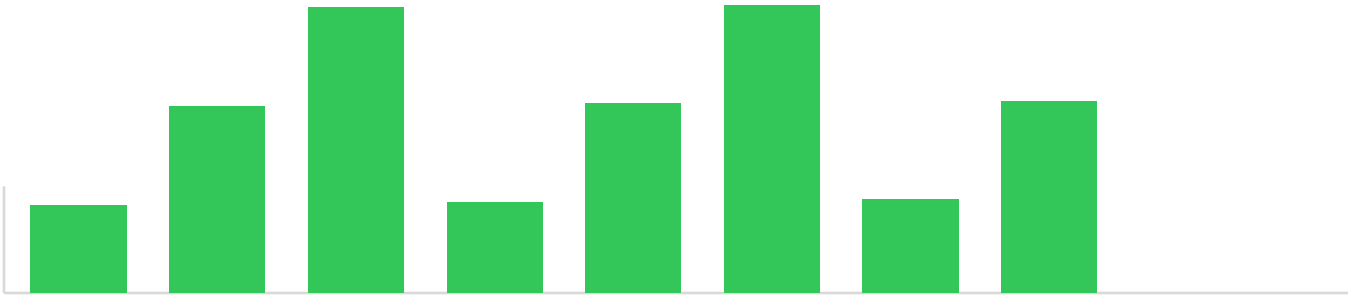
Getting Started: part 2

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 4. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 4. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



3. Viewing Pages

Section 3.1

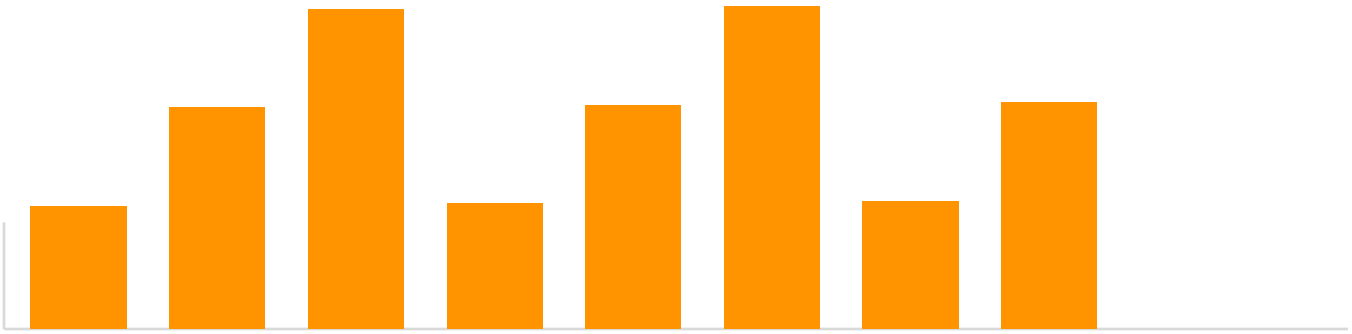
Viewing Pages: part 1

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 5. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 5. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



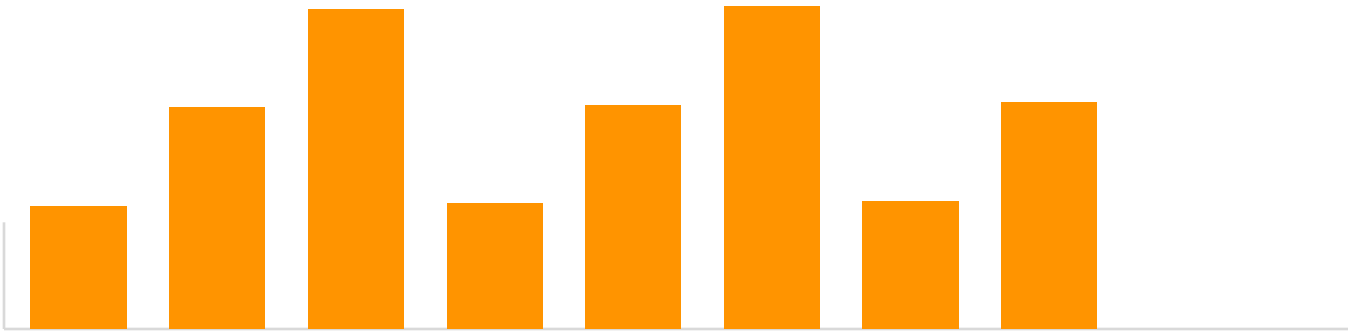
Viewing Pages: part 2

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 6. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 6. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



4. Searching

Section 4.1

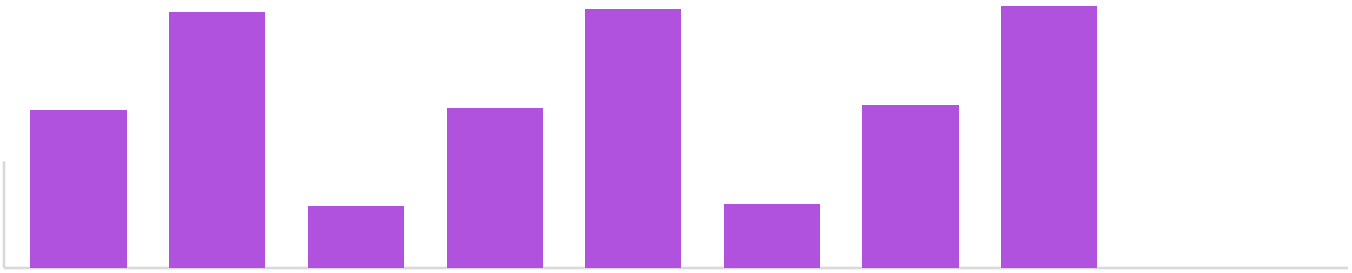
Searching: part 1

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 7. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 7. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



4. Searching

Section 4.2

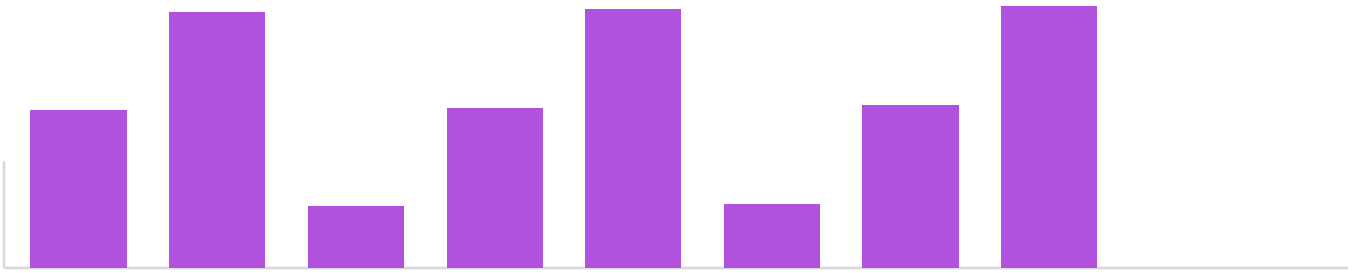
Searching: part 2

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 8. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 8. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



5. Annotations

Section 5.1

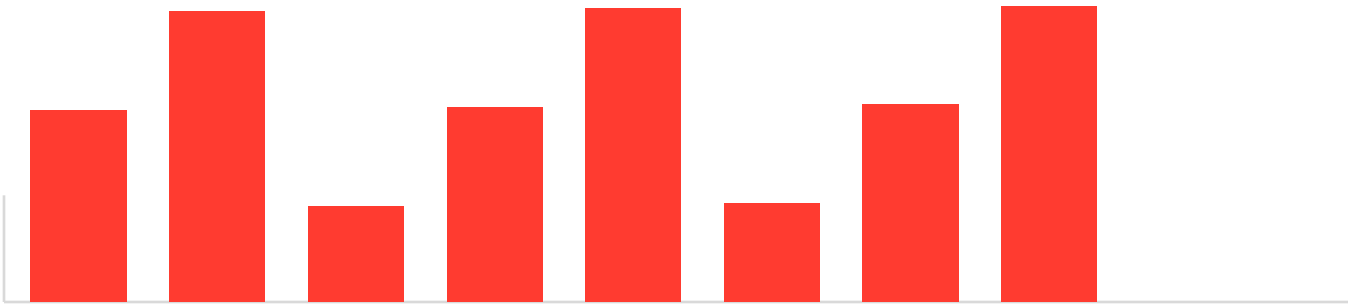
Annotations: part 1

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 9. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 9. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



5. Annotations

Section 5.2

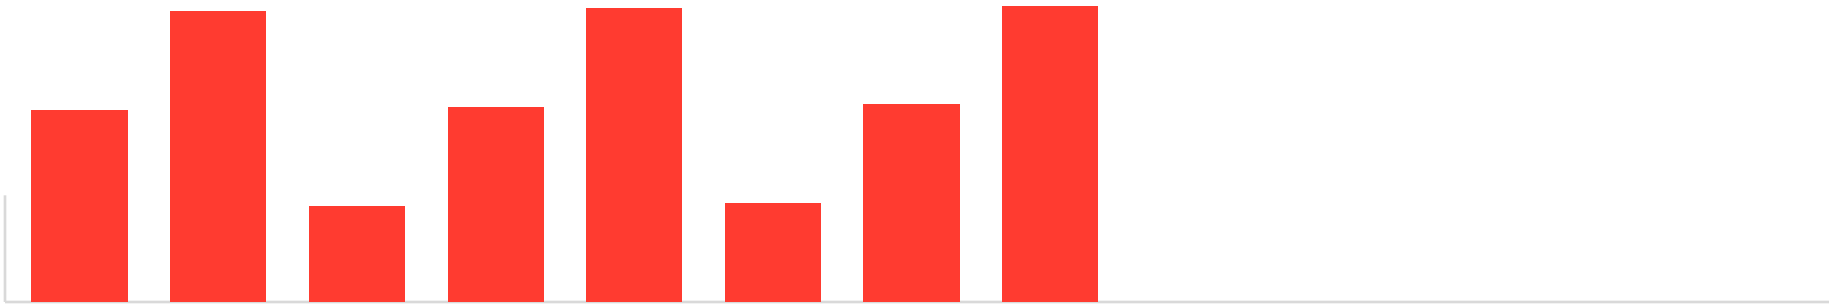
Annotations: part 2

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 10. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 10. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



6. Appendix

Section 6.1

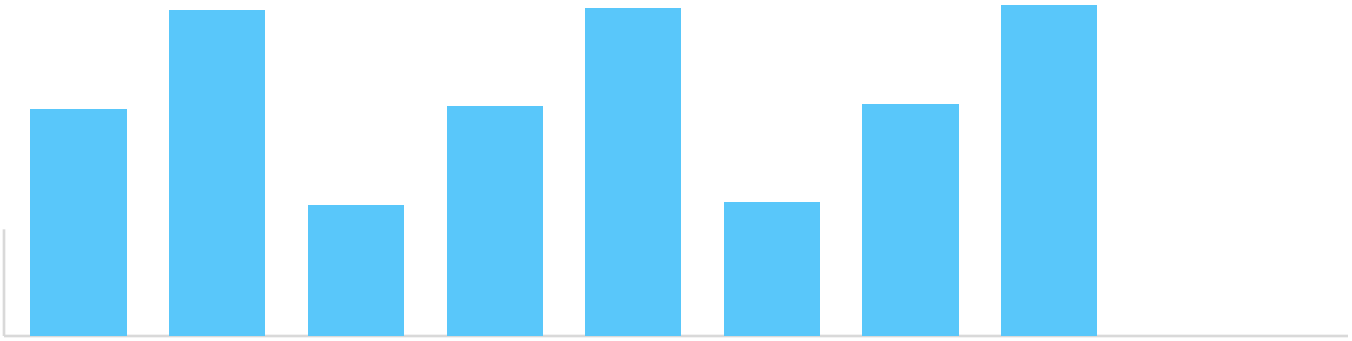
Appendix: part 1

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 11. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 4 on page 11. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.



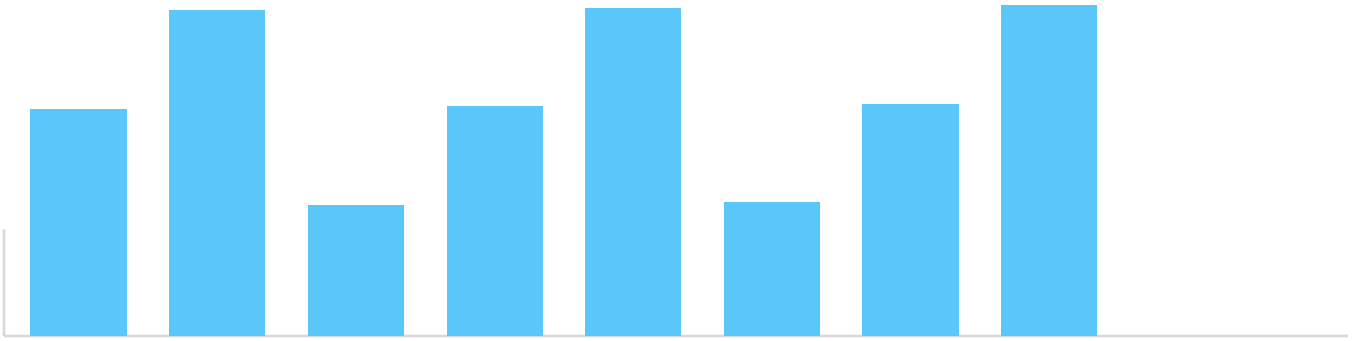
6. Appendix

Section 6.2

Appendix: part 2

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.

Paragraph 2 on page 12. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.

Vellum renders documents with a pure Rust rasterizer and lays out pages in a virtualized canvas. Search finds text across every page, and the sidebar shows thumbnails or the table of contents. Zoom with the toolbar, keyboard shortcuts or the trackpad, and rotate pages to read scanned documents comfortably.


Paragraph 4 on page 12. The quick brown fox jumps over the lazy dog while the rasterizer keeps every glyph crisp at any zoom level.
